Warden Halliday:

Al Delaney and I gave a presentation to Barrington Municipal council many months ago on the subject of the Loyalist Landing 2008 Society and its plans for a year long celebration to mark the 225th anniversary of the Loyalist landing in Shelburne. The Council was very supportive of our efforts and many people from the Barrington have participated in one way or another with/in the celebrations.

The upcoming municipal elections are looming and the make-up of your council may change. Therefore, we would appreciate an opportunity to give a final quick briefing to this council before the elections to express the Society's thanks and to provide a very quick overview of the results of the Celebration to Remember. We can structure our presentation to meet your time requirements, but the whole thing should take only 5-10 minutes in any case. Of course, we would be pleased to answer questions at the council's convenience.

If you have any questions, let me know. If you would like to discuss in person, my number is 875-2968.

I would appreciate an answer at your earliest convenience.

Regards,

Jim Mahaney
Treasurer - Loyalist Landing 2008 Society.
