

2012 Volunteer Week

April 15 – 21

Volunteer Week will be celebrated throughout Nova Scotia during the week of April 15 – 21. The primary purpose of this special designed week is to thank and honour people who donate their time to help fellow citizens and support the causes in which they believe. Volunteer Week also serves to reinforce the human values in which that volunteering represents and increases awareness of the importance of volunteerism to our communities.

The Barrington Municipal Recreation Department is encouraging you to nominate one individual or a community group, who you believe is deserving of being recognized. You can print the nomination form that is enclosed.

When filling out the nomination form, please list past and present volunteer work that your nominee has done. Please be as thorough as you can, as the information you provide will be read at our local Volunteer Recognition Ceremony and Banquet.

To ensure your nominee will be considered for the Provincial Volunteer Representative, please return your nomination form to the Recreation Department by Friday, February 17. The Municipal Council will select one individual or one community group from all nominees received. This volunteer or group will be invited to attend the Provincial Volunteer Award Ceremony and Banquet in Halifax, on April 2.

Any nominations received after February 17, will still be included for invitation and recognition at the Municipal Volunteer Recognition Ceremony and Banquet, April 17. All nominees will be notified by the Recreation Department about the local ceremony and banquet.

If you have any questions in regard to this event, please contact the Recreation Director at 637-2903 or at barringtonrec@eastlink.ca
