CLOSED SESSION

The meeting entered into Closed Session for the purpose of discussing the following two items:

1. Pursuant to Section 22(2)(e) Potential Contract Negotiations with a Physician.
2. Pursuant to the Municipal Government Act Section 22(2)(a) Possible Sale or Lease of Municipal Property being the former Barrington Municipal High School property.

For the purpose of these discussions, the following individuals employed by the South West Shore Development Authority were present at the meeting:

BUSINESS PLAN SESSIONS

The Municipality is in the process of developing a business plan for the next several years, and members wish to discuss the public presentations being made in communities in the Municipality to obtain public input into this business plan. It is suggested that the South West Shore Development Authority do these public presentations on behalf of Council.

At the same time, it was also suggested that the South West Shore Development Authority hold its annual planning session in Barrington next year rather than in Shelburne where the Shelburne County session has been held continually since the beginning of the RDA.

It was also suggested to the RDA members that a potential mapping project will be required in the near future by Municipal units and that the RDA should seek funding to assist in this project.

Having completed their discussions with Council, members of the Development Authority then retired from the meeting at 8:15 p.m.

B.M.H.S. PROPERTY

Resolution C050202

Moved by L. Halliday and seconded by L. Stewart that the Municipality request the South West Shore Development Authority to seek funding for, and to have an assessment done of the B.M.H.S. property, in preparation for future development of that property when it is returned to the Municipality by the Regional School Board.

WOOD'S HARBOUR WHALERS

The Wood's Harbour Whalers have been suspended for a period of two (2) games at the Barrington Municipal Arena by the Manager. At this time the Warden requested that the Deputy Warden assume the chair of the meeting so that he could address this matter.

A portion of the letter informing the league of this suspension was read to the members for their information. The Manager wishes to know, in light of the current review that is being done of the Arena Discipline Policy, should he enforce this suspension at this time, or should the suspension be deferred until Committee of the Whole has had the opportunity to review the policy.

Resolution C050204

Moved by E. Nickerson and seconded by S. Belliveau that all suspensions at the Barrington Municipal Arena be deferred until the review of the enforcement of the Arena Discipline Policy has been completed by the Committee of the Whole.

Motion carried unanimously.
