EMPLOYEE RECOGNITION

At this time Ray Green was invited to come before Council and the Warden presented him with a plaque in recognition of 20 years of dedicated service to the Municipality.

PRESENTATIONS RE: OIL AND GAS INDUSTRY

The Warden welcomed representatives from El Paso, South West Shore Energy Office and the South West Nova Environmental Protection Group for attending the meeting for the purpose of making a presentation on the oil & gas industry. The Warden also extended a welcome to members of the public who were in attendance.

The Warden advised that each presenter will be given an opportunity to make their presentation and questions will be asked by Council at the end of the presentation. No questions will be received from the public.

The first presentation was made by El Paso, Blue Atlantic Transmission System. Paulette Scott, Community Liaison, addressed Council. The Project Manager, Robert Otjen, was also present to answer questions from Council. Mrs. Scott gave an overview of the project. Her presentation included the processing of sour gas, transmission lines, job creation, job training, etc.

Jason Hollett of the South West Shore Energy Office made his presentation next. A copy of Mr. Hollett's presentation was circulated to councillors in advance. The presentation included the history of natural gas in Nova Scotia, existing projects, economics, safety and the environment and lessons learned. At the conclusion of his presentation, he suggested that the Municipal Council get in contact with various groups and organizations in Guysborough County to determine the effects of the Goldboro Project.

Anne Smith, Cliff MacKay and Ricky Hallett then appeared before the meeting representing the South West Nova Environmental Protection Group. Their presentation included concerns regarding the Blue Atlantic Project, El Paso's track record, concerns regarding the processing of sour gas on shore, and concerns for the lobster fishery. At the end of the presentation Mr. Ricky Hallett provided the Clerk with a copy of a petition to the House of Commons requesting parliament to reject the proposed El Paso, Blue Atlantic Transmission System and any future ventures of this nature making landfall and/or processing natural gas in Shelburne County. This petition contained 1,567 signatures.

At the conclusion of the presentations on the oil and gas industry, the Warden thanked all presenters for taking time to come before Council and making their presentations.

The Warden then turned the Chair over to the Deputy Warden.

**Moved** by S. Belliveau and seconded by E. Nickerson that the Municipality of Barrington request the Nova Scotia Department of Economic Development and the Nova Scotia Department of Energy to invite a North Sea delegation with representatives of their respective fishing groups such as Scottish Fishing Federation to visit Nova Scotia, and with the assistance of the UNSM and the Municipality, host an information session on the oil and gas industry, in the near future.

Resolution C050131

**Moved** by L. Stewart and seconded by D. Messenger that the above matter be referred to the Committee of the Whole for further discussion.
