CONSIDERATION OF DEMOLITION ORDER RE: DERELICT VESSEL

Dwayne Stewart, owner of the derelict vessel, was present.

The Warden reported that the purpose of tonight's meeting was to consider the issuance of a Demolition Order to deal with the derelict vessel #CFV-104115 owned by Dwayne Stewart which is currently located at the C & D Landfill Site at 1138 Clements Pond.

The CAO reported that this matter was last considered by Council on March 22, 2021, at which time the matter was referred to a Special Council Meeting in order to give the CAO an opportunity to provide Mr. Stewart with documentation he had requested. The information was provided, but due to COVID-19, we are just getting back to the matter now.

Mr. Stewart was given an opportunity to speak at which time he disagreed that the correspondence provided to him related to the yellow boat which was impounded by the Municipality. During his discussion with Council, he also made reference to the Municipality blocking access to his wharf at McGray Avenue, North East Point, and requested that it be removed.

Mr. Stewart was previously informed that he could have his boat, at no cost, but that it could not be returned to municipal property at North East Point.

Mr. Stewart left the meeting.

Resolution C210701

Being duly moved and seconded that the Municipality issue a Demolition Order giving Dwayne Stewart, 60 days, from the date of the Order to remove or demolish the derelict vessel currently located at 1138 Clements Pond.
