## NOTICE

### Second Reading Municipal By-Laws

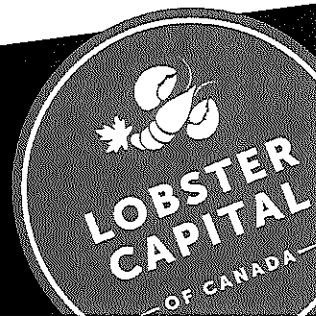

Barrington Municipal Council is considering amendments to By-Law No. 21 "Public Sewers" and By-Law No. 27 "Wastewater Management District."

Proposed amendments will remove the amount of the Sewer Service Charge stated in both By-Laws and will insert wording to allow the Sewer Service Charge amount to be set by Council from time to time.

Proposed amendments may be inspected at the Municipal Office located at 2447 Hwy No. 3, Barrington, NS between the hours of 8:30 a.m. & 4:30 p.m. Monday to Friday.

Any representation by interested persons concerning the passing of these amendments may be made at the June 24, 2019 Council meeting which will be held in the Council Chambers in the Administrative Centre, Barrington, NS. This matter will be discussed at 7:30 p.m.

Chris Frotten,  
Chief Administrative Officer

It is proposed that Section 20 of Part 5 - FINANCES of By-law No. 27 " Wastewater Management District, be amended as follows:

20. Every owner of land which is serviced by the municipal sewer system or by an individual on-site sewage system within the wastewater management district, shall pay to the Municipality an annual charge, known as the Sewer Service Charge, for both the construction and maintenance of sewage works and the operation of any sewage treatment facilities in the amount of ~~Three Hundred Ten Dollars (\$310.00)~~ ***an amount to be set by Council from time to time*** for each unit value set out in Appendix "B" attached to this By-law.

Moved by \_\_\_\_\_ and seconded by \_\_\_\_\_ that proposed amendments to Section 20 of Part 5 - Finances of By-law No. 27 "Wastewater Management District" as indicated above, be approved in First Reading.

**BY-LAW NO. 27**

**PART 5 - FINANCES**

20. Every owner of land which is serviced by the municipal sewer system or by an individual on-site sewage system within the wastewater management district, shall pay to the Municipality an annual charge, known as the Sewer Service Charge, for both the construction and maintenance of sewage works and the operation of any sewage treatment facilities in the amount of Three Hundred Ten Dollars (\$310.00) for each unit value set out in Appendix "B" attached to this By-law.
21. The Sewer Service Charge shall be due and payable on the date for payment of general rates and taxes each year.
22. All sewer service charges unpaid shall bear interest on the same effective date and at the same rate of interest as general rates and taxes established by the Municipal Council annually by resolution.
23. Every sewer service charge imposed under the provision of this By-law shall constitute a lien on the real property as provided for rates and taxes under the Assessment Act of the Province of Nova Scotia and shall be collectible in the same manner as rates and taxes on real property are collected under the Assessment Act.

**Amended July 24, 2007.**

**Amended July 27, 2015.**
