

Dear Council members

I Am requesting the municipality of Barrington purchase a bench on the Barrington trail to donate to Mr. Corbett Blades, who had worked for the municipality for ~~fort~~ 40 plus years as a garbage collector. In doing so, you the council will be showing the people of Barrington and surrounding areas that you have recognized all the hard work and devotion that Mr. Blades put into our community for so many years.

This has nothing to do of the cost but that the municipality of Barrington recognizes and has decided to honor Mr. Blades and his dedication to his job and how hard he worked for the municipality for so many years.

I his niece would like to take this opportunity to thank you all so very much in advance

Thank you
Teresa Benoit
