Subject: Request

Good Morning Chris

I am enclosing a letter which we would appreciate Council considering. As you know, The Ex needs help and we are asking for Councils assistance in moving forward.

Please advise me as to when this letter will be presented as some of our members would appreciate being present.

Thank you

Brenda Maxwell

Warden and Councillors

Barrington Municipal Agriculture Exhibition Association is in the midst of applying for a grant from the Federal Government for work needed at the Ex grounds. The application requires letter of support from our Municipality for the improvements to our grounds.

We are in need of a well, and an expansion of our oxen barn as we have been having increase teams for our ox hauls. Our horse barn needs attention and a new storage building is desperately needed. We are applying for 100,000.00 grant. This grant requires us to have 25% of the requested amount as our portion of the project. With the Covid shutdown we have not been able to earn the funds needed. We are asking for your financial support by loaning us the required \$25,000.00. This will be considered a loan.

Once we have both letters of support and finance, the applications will be forwarded to the Federal Government for their review and hopefully their support.

Thank you for your consideration and support.

Sincerely

Stephanie Waybret
President
Barrington Municipal Agriculture Exhibition Association
