Dear Mr. Whiteway:

*RE: 210832.01 Brass Hill Wastewater Treatment Facility - Phase 1*

On March 10, 2022, the bids for the above noted project were received. A bid evaluation was conducted. The bid evaluation process consisted of examining mathematical results of each bidder, confirming evidence of the presence of various required submission documents such as bid and contract security requirements, acknowledgement of addenda, and proposed contract time.

A summary of the bids is included below:

Contractor	Contract Price (excluding HST)
• Higgins Construction	\$1,137,000.00
• Mid Valley Construction	\$2,975,100.00

Please note these prices include the costs associated with the pre-selected equipment.

The Engineer's Estimate for the Work was in the range of \$917,000.00-1,009,000.00 (excluding HST). Based on the bid results CBCL Limited sees no reason why you could not award Contract No. 210832.01 submitted by Higgins Construction Inc. in the amount of \$1,137,000.00 (excluding HST).

Yours very truly,  
CBCL Limited
