

Request for Agenda Item	
Date of Committee of the Whole Council Meeting: September 12, 2023 (Requests must be submitted to the Municipal Clerk's office by noon on Wednesday before the meeting.)	
Subject: Beach signage for Sandhills Beach	
<p>Motions to be Considered:</p> <p>Being duly moved and seconded that our beach indicator-sign be added alongside the Villagedale Road in the vicinity of approaching the entrance to Sandhills Beach Provincial Park.</p> <p>Being duly moved and seconded that it be recommended to Council that a letter be sent from Council to DNR pointing out that there was no entrance sign this year indicating the entrance to Sandhills Provincial Park and, therefore, requesting that a sign be placed early in the season next year to identify the entrance to Sandhills Provincial Park, and that this sign be placed in a location more visible to the line-of-view of vehicular traffic.</p>	
<p>Reason:</p> <p>Complaints from locals and visitors have been received regarding the lack of signage to indicate the entrance points to both Stoney Island Beach and Sandhills Provincial Park Beach. While it is the responsibility of DNR to erect a sign at the mouth/ entrance to the Provincial Park, it would be helpful to visitors and those unfamiliar to the area to have our blue municipal "beach signs" posted along the Villagedale Road in both directions to indicate to vehicular traffic that they are approaching the main entrance to Sandhills Beach Park.</p>
