

Request for Agenda Item

Date of Committee of the Whole Council Meeting: October 10, 2023

(Requests must be submitted to the Municipal Clerk's Office by end of day on the Wednesday before the meeting)

Subject: Poor Cell Signal

Motion to be Considered:

Being duly moved and seconded that it be recommended to Council that the Municipality work with its neighbouring municipal units to address the poor cell signal in the Municipality with our federal and provincial colleagues, the Western Regional Enterprise Network and cellular service providers.

Reason:

Cell coverage in our Municipality has deteriorated recently and it seems to be a common theme among our neighbours as well. Other municipal units have sent letters to local federal and provincial elected officials, Regional Enterprise Networks and directly to service providers. The Municipality of Shelburne has invited us to join in a County-wide letter and the Municipality of Clare has shown an interest in coordinating a regional meeting on the topic. As the topic has not been discussed officially by Committee of the Whole or Council, I am seeking feedback and direction on the matter.
