

BARRINGTON PORT LATOUR VOLUNTEER FIRE DEPARTMENT

165 VILLAGEDALE ROAD, COMP 3, BOX 11 FOREST VIEW DRIVE, BARRINGTON, NS, BOW 1E0

December 7, 2023

Municipality of Barrington

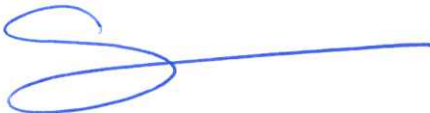

Att: Dwayne Hunt – Emergency Services Coordinator

This letter is to inform all parties of the MOB that our department is making plans to purchase the following equipment as per request that our chief brought to our December meeting.

2024 Dodge ¾ ton truck with cap (estimated delivery in 2024). This purchase is funded by fund raising and donation revenue.

Replacement Pumper truck, planning for 2026 estimated manufacturing time frame. This was also discussed in a meeting with MOB held earlier this fall. During this meeting funding/loans were discussed and purchase would take place after our current Fire Hall loan is paid in full. The “Truck Purchasing Committee” is working with the manufacturer on the order and a delivery time frame. This will be within our available budget funding at the time of purchase.

Regards

Suzanne Lamrock

Treasurer
