To: Municipality of Barrington Council
Re: Land Title Transfer Request

The Shag Harbour Incident Society is a not-for-profit located in the Municipality of Barrington whose mission is to recognize and celebrate a unique event that took place Shag Harbour in 1967. The Shag Harbour Incident Society operates the Shag Harbour UFO Interpretive Centre. Our centre has been heavily featured by travel media and is one of the most visited sites on the South Shore of Nova Scotia. Since our organization was formed, we have promoted the Shag Harbour Incident as part of our local culture and as a tourist attraction, contributing positively to the local economy.

We are reaching out today to request that council consider the transfer of the title of land located at 6139 NS Trunk 3, Shag Harbour (PID 80010028) to the Shag Harbour Incident Society. This property will enable the Shag Harbour Incident Society to move forward with plans to construct a new interpretive centre at the site of the 1967 UFO Crash.

Thank you for your consideration,

Laurie Wickens
President
Shag Harbour Incident Society
