

Request for Agenda Item

Date of Committee of the Whole Council Meeting: January 21, 2025

(Requests must be submitted to the Municipal Clerk's Office by end of day on the Wednesday before the meeting)

Subject: Shag Harbour Station Road Paving

Motion to be Considered:

Being duly moved and seconded that it be recommended to Council that a letter be sent to the Minister of Public Works, the Honourable Fred Tilley advocating for the paving of Shag Harbour Station Road.

Reason:

I am advocating for the paving of Shag Harbour Station Road to address longstanding concerns about accessibility and safety. This road is important to the local residents, emergency services, and local businesses, yet its current condition—marked by potholes, and poor drainage—poses significant challenges. Paving the road would enhance year-round accessibility, reduce vehicle maintenance costs for residents, and improve safety, particularly during inclement weather. We have already submitted a request to pave this road under the provincial cost-sharing program, but it was denied due to program limitations. Given the importance of this road to our community, I am now looking to escalate this request directly to the Minister, emphasizing the need for provincial support.
