**It is recommended** that a grant in the amount of \$500.00 be provided to the Barrington & Area Chamber of Commerce.

#### TIR Matter

**It is recommended** that the Department of Transportation and Infrastructure Renewal be requested to top up the shoulder of Highway 330 with gravel, in North East Point, near Civic No. 336.

## Committee of the Whole Council Meeting – September 21, 2020

### Oceanview Christian Academy Request

**It is recommended** that the CAO be instructed to proceed with the sale of the VIC property to Oceanview Christian Academy, following the process prescribed in the Municipal Government Act.

### October Meetings

**It is recommended** that due to the Municipal Election being held on October 17, 2020, all meetings be cancelled for the month of October and that the new Council be sworn into Office at the first Council Meeting after the Election held on Monday, November 2, 2020.

### Basil Blades Memorial Ball Park – Parking Lot Lights

**It is recommended** that the Municipality assess the need for a minimum of two streetlights at the Basil Blades Memorial Ball Park and the cost of installation be provided in the 2021/22 Capital Budget.

### 50/50 TIR Cost Shared Program - Roads

**It is recommended** that the following roads, listed in order of priority, be submitted for consideration under the TIR 50/50 Cost Shared Program for paving:

1. Bateman Road
2. Petticoat Lane
3. Clam Point Road
4. Station Road - Shag Harbour
5. Butler's Road

### Application to Serve on the Accessibility Advisory Committee

**It is recommended** that Boyd Hilton Scott be appointed to serve on the Accessibility Advisory Committee for a two year term.

### Letter of Support NSCC Battery Demand Reduction Study

**It is recommended** that a letter of support be provided to NSCC, in support of their application for funding for a Study to be conducted on Reducing Peak Demand Charge in buildings.

### Partnership Opportunity with NSP Vehicle to Grid Project

**It is recommended** that the Municipality partner with NSP and provide a letter, in support of their application for Federal Low Carbon Funding to study battery to grid technology.

### Water Lending Program

Concern has been expressed regarding the requirement to have as good payment history with the Municipality in order to qualify for funding under the Water Lending Program. Members have been advised by the CAO that this is the only way the Municipality can assess the ability of the individual to pay. If the individual defaults on payment, the full amount becomes due immediately which could cause extreme hardship for some and may result in their property being sold at Tax Sale. In addition, lending to individuals with poor payment history is precarious and could put the Municipality at risk.

**It is recommended** that the practice to require applicants of the Water Lending Program to have a “good payment history” with the Municipality be discontinued.
