Barrington, NS B0W 1E0

Dear CAO Frotten:

Thank you for your letter dated September 27, 2021, regarding flooding of Sherose Island Road in the Shelburne County area.

As discussed with you on July 22, 2021, I recognize flooding along coastal roads is increasingly becoming a problem. I will encourage staff to continue to look for opportunities to source funding to address the challenge of rising sea levels and the impact they are having on our coastal roads.

If you have any questions, please contact the local Area Manager, Pamela Mehlman-Shand, at pamela.mehlman-shand@novascotia.ca or via phone at 902-742-2416.

Sincerely,

Peter Hackett, P.Eng.
Deputy Minister
