Dear Eddie Nickerson:

I am responding to your letter of September 27, 2023, regarding entrance signage at Sand Hills Beach Provincial Park.

Thank you for expressing your thoughts on the absence of an entrance sign at Sand Hills Beach Provincial Park. In the last two years, a sign has been installed and stolen from the premises. A new sign will be installed prior to the beginning of the 2024 parks operating season, which is the long weekend in May.

Please contact Doug Oliver, Manager of Parks and Recreation, at doug.oliver@novascotia.ca, if you have additional questions or concerns.

Regards,
