

Minutes of the Regular Meeting of the Barrington Municipal Council held by videoconference on Monday, July 27, 2020. The meeting was called to order by the Warden at 7:00 p.m., with the following members present:

- Warden Lindsay (Eddie) Nickerson
  - Deputy Warden Jody Crook
  - Councillor Murray Atkinson
  - Councillor Shaun Hatfield
  - Councillor George El-Jakl – Absent due to work commitments.
- 
- Chris Frotten, CAO
  - Lesa Rossetti, Municipal Clerk

#### ADDITIONS TO THE AGENDA

There were no additions to the agenda.

#### APPROVAL OF THE AGENDA

Being duly moved and seconded that the agenda be approved as circulated.

Motion carried unanimously.

#### DECLARATIONS OF CONFLICT OF INTEREST

Deputy Warden Crook informed members that he would be declaring Conflict of Interest when Council deals with appointments to the Recreation Advisory Committee.

Councillor Hatfield informed members that he would be declaring Conflict of Interest when members deal with the appointment to Bay Side Home Board of Directors.

#### APPROVAL OF MINUTES

Being duly moved and seconded that minutes of the Regular Meeting held June 22, 2020, be approved as circulated.

Motion carried unanimously.

#### NOVA SCOTIA POWER – SMART METER PROJECT

Stephen Pothier, Amie Woodford and Mary Black representatives of Nova Scotia Power appeared before the meeting. They provided information on the Government Relations dedicated service line and Critical Customer Communications Program as well as information on the Smart Meter Project which began in Barrington today. A copy of their presentation is attached and forms part of the minutes.

After the presentation, members were given an opportunity to ask questions. As a result of questions raised, Ms. Black indicated that she would develop and forward some additional information around health concerns.

Representatives were thanked for appearing before the meeting and making their presentation.

#### MATTERS ARISING FROM THE MINUTES

There were no matters arising from the minutes.

#### REPORT OF WARDEN

The Warden gave a brief report on his activities since the last meeting of Council.

#### REPORT OF COUNCILLORS

The Deputy Warden and each Councillor gave a brief report on their activities since the last meeting of Council.

#### REPORT RE: YHF BOARD MEETING

Councillor Hatfield reported on the May 12, 2020 meeting of the Yarmouth Hospital Foundation Board Meeting. Minutes of the meeting are attached to the agenda on the municipal website.

#### REPORT RE: WCRL BOARD MEETING

Councillor Hatfield reported on the May 14, 2020 meeting of the Western Counties Regional Library Board Meeting. Minutes of the meeting are attached to the agenda on the municipal website.

#### REPORT FROM COMMITTEE OF THE WHOLE COUNCIL

Councillor Hatfield reported on recommendations from the Committee of the Whole Council.

#### Plastic Waste Request

A request has been received from Sterling Belliveau requesting permission to take unused plastics from his lobster crate repair business to the C. & D. Landfill. The CAO reported on concerns expressed by the committee.

Resolution C200701

Being duly moved and seconded that a letter be forwarded to Sterling Belliveau advising that the Municipality is not willing to accept the recyclable plastic waste from lobster crate repairs at the C. & D Landfill and explain reasons brought forward during committee discussion.

Motion carried unanimously

Request From Dr. Yee for Plexiglass Separator and Win 7 Upgrades

Dr. Yee is requesting Council to reconsider their decision to pay 50% of the cost of new computers to replace the existing computers used for the residency program and other medical students, as the computers belong to the Municipality. Dr. Yee is requesting the Municipality to cover 100% of the cost to purchase new computers.

Resolution C200702

Being duly moved and seconded that the Municipality fund the other 50% of the cost to purchase two (2) new computers for the residency program and that this be a one time purchase.

AFFIRMATION

Murray Atkinson  
Shaun Hatfield  
Eddie Nickerson

NEGATIVE

Jody Crook

Motion Carried.

Recreation Advisory Committee Appointment

Conflict of Interest

Deputy Warden Crook declared Conflict of Interest and did not participate in discussions relating to the appointment of members to the RAC.

Deputy Warden Crook is the General Manager at Kenney and Ross Limited at which Jonathan Langille is employed.

Expressions of Interest to serve on the Recreation Advisory Committee have been received from the following:

- Charla Strang – District 3
- Jonathan Langille – District 4

Resolution C200703

Being duly moved and seconded that Charla Strang of District 3 and Jonathan Langille of District 4 be appointed to serve on the Recreation Advisory Committee.

Motion carried unanimously.

Deputy Warden Crook returned to the meeting.

Accessibility Advisory Committee Appointments

An application has been received from Loretta Nickerson, Executive Director of SASI, to serve on the Accessibility Advisory Committee.

Resolution C200704

Being duly moved and seconded that Loretta Nickerson of Shelburne Association Supporting Inclusion be appointed to serve on the Accessibility Advisory Committee.

Motion carried unanimously.

Library Air Conditioning Unit Replacement

One of the two air conditioning units at the Library/CED Centre is no longer working properly and is in need of replacement. Not only will it be necessary to replace the unit, but the handling unit and duct work will also need to be replaced.

Resolution C200705

Being duly moved and seconded that a replacement air conditioning unit, handling unit and duct work be purchased from Tri County Heating & Cooling at the quoted price of \$16,613.59.

Motion carried unanimously.

Grant Requests

Hawk Dayze Committee

Resolution C200706

Being duly moved and seconded that funding be provided to the Hawk Dayze Committee in the amount of \$3,335.00 to assist with the cost of improving existing wharf facilities at The Hawk and The Cape in accordance with Section 23.2 of Policy No. 42 Municipal Grants and Sponsorship/Advertising Policy.

Motion carried unanimously.

The Warden indicated that W. Sears Seafoods Limited has granted written permission to the Hawk Dayze Committee to improve existing wharf facilities located on their property at The Hawk.

Goodwill Club

Resolution C200707

Being duly moved and seconded that a grant of \$500.00 be provided to the Goodwill Club to assist with the cost of maintenance of their building.

Motion carried unanimously.

Special Purpose Flagpole Location

Correspondence has been received from Francis Perry of Barrington suggesting that since the Barrington River location is a relatively secluded area that invites vandalism, that a larger flagpole be erected at Island View Park. The Pride Flag flown on the flagpole at the Barrington River location suffered vandalism in 2019, as well as in 2020.

It was noted that work is underway to have cameras installed in that area which should help deter future vandalism.

Resolution C200708

Being duly moved and seconded that the CAO craft a letter to Francis Perry indicating what members have discussed in committee and our position and future action to be taken with the Cape Sable Historical Society.

Motion carried unanimously.

Appointment to Bay Side Home Board of Directors

Conflict of Interest

Councillor Hatfield declared Conflict of Interest and did not participate in discussions relating to the appointment to Bay Side Home Board of Directors.

Councillor Hatfield is related to the Administrator of Bay Side Home.

The Deputy Warden reported on committee recommendations relating to Bay Side Home.

A letter of resignation has been received from Pamela Townsend resigning from her position on the Board of Directors of Bay Side Home.

The Board has reviewed applications received to fill the vacancy in February and is recommending that Bradley Pass be appointed to the Board of Directors.

Resolution C200709

Being duly moved and seconded that Bradley Pass be appointed to serve on the Board of Directors of Bay Side Home Corporation.

Motion carried unanimously.

Resolution C200710

Being duly moved and seconded that a letter be sent to Pamela Townsend accepting her resignation and thanking her for her contribution to Bay Side Home.

Motion carried unanimously.

Councillor Hatfield continued to report on committee recommendations.

Derelict Boat

It was reported that a letter was sent to the owner regarding the placement of his boat on municipal property at McGray Avenue, North East Point and concerns that had been raised about future access to the boat ramp. The owner was advised that if the boat remained where it was after May 1, 2018, that the boat would be removed and placed in impound. The boat was impounded at our C & D Landfill where it still remains.

Since the boat has been impounded for 18 months and we have not heard back from the owner, staff have worked with the Municipal Solicitor to provide options on how to move forward.

The following three options were provided:

Option 1 – Deem it Dangerous and Unsightly

Option 2 – Sell the boat Under the Personal Property Security Act

Option 3 – Sell the Boat for Arrears of Taxes

Resolution C200711

Being duly moved and seconded that Option 1 be accepted and the derelict boat in question be deemed dangerous and unsightly and begin the process of issuing an Order.

Motion carried unanimously.

WREN – Inter-Municipal Agreement

A draft Western Regional Enterprise Network Inter-Municipal Agreement was circulated to members in advance to the meeting. The document outlines the structure of the WREN including, powers, funding, etc.

Resolution C200712

Being duly moved and seconded that the Western Regional Enterprise Network Inter-Municipal Agreement be approved as presented.

Motion carried unanimously.

STAFF REPORT

The Chief Administrative Officer provided his report for the period June 23 to July 27, 2020 of which a copy is attached and forms part of the minutes.

Topics highlighted were as follows:

- New Recreation Centre
- Development of Asset Management Plan
- Amenities at Beaches
- COVID-19

- Drought & Water Shortage
- Tourism Initiatives
- Recreation Programming
- Building Permits & By-law Enforcement
- Fire Services and Emergency Management
- Capital Project Update

#### NEW OR OTHER BUSINESS

##### Consideration of amendments to Policy 16 Re: Bursary Guidelines

It is proposed that Section 2 of Policy No. 16 “Guidelines for Funding and Awarding a Bursary” be amended to require members to score applicants based on certain criteria.

It was reported that Notice of Consideration was given at the Committee of the Whole Council Meeting held July 13, 2020.

##### Resolution C200713

Being duly moved and seconded that proposed amendments to Policy No. 16 “Guidelines for Funding and Awarding a Bursary” be approved as presented.

Motion carried unanimously.

##### Consideration of amendments to Policy 40 – Notice of Meetings

It is proposed that Section 1(b) of Policy No. 40 “Notice of Meetings” be amended by deleting “when possible,” as meetings are always posted on the Municipal Website.

It was reported that Notice of Consideration was given at the Committee of the Whole Council Meeting held July 13, 2020.

##### Resolution C200714

Being duly moved and seconded that proposed amendments to Policy No. 40 “Notice of Meetings” be approved as presented.

Motion carried unanimously.

##### Consideration of Repealing Policy 67 – Recreation Department

It is proposed that Policy No. 67 “Recreation Department Policy” be repealed as it is very operational and written for internal practices and procedures.

It was reported that Notice of Consideration was given at the Committee of the Whole Council Meeting held July 13, 2020.

##### Resolution C200715

Being duly moved and seconded that Policy No. 67 “Recreation Department Policy” be repealed as recommended.

Motion carried unanimously.

Quarterly Building Permit Report

A Quarterly Building Permit Report showing building permits issued for the 1<sup>st</sup> quarter was circulated to members in advance to the meeting. A copy of the report is attached and forms part of the minutes.

TIR Cost Share Agreement No. 2020-004

Correspondence has been received from the Department of Transportation and Infrastructure Renewal advising that the current three-year agreement for paving of subdivision streets expires March 31, 2021 and provided a new agreement for review and approval.

Resolution C200716

Being duly moved and seconded that the Warden and Chief Administrative Officer be authorized to sign Cost Share Agreement No. 2020-004.

Motion carried unanimously.

CORRESPONDENCE

There was no correspondence to report on.

AGENDA ITEMS FOR FUTURE MEETINGS

No items were brought forward.

IN-CAMERA SESSION

In accordance with Sections 22(2)(a)(g), an In-Camera Session was held to deal with the sale of municipal property and to receive legal advice eligible for solicitor-client privilege.

REPORT ON IN-CAMERA SESSION

Work continues to reduce the number of properties owned by the Municipality. All properties identified for sale are listed in Category A on the list of Municipal Surplus Properties.

A parcel of land located on Jack's Lane, in Woods Harbour, which was acquired through Tax Sale, has been listed with a local real estate company for some time. Recently an offer to purchase the property was received.

Resolution C200717

Being duly moved and seconded that the offer received from Cherco Fisheries in the amount of \$5,000.00 for the purchase of municipal property located at 13 Jack's Lane, Woods Harbour, PID 80011687, be accepted.

Motion carried unanimously.

ADJOURNMENT

The meeting was adjourned at 9:00 p.m.

## GOVERNMENT RELATIONS, SMART METERS

JULY 27, 2020

# GOVERNMENT RELATIONS

The Nova Scotia Power Government Relations Team provides elected officials a dedicated contact to support you serving your constituents

## COMMUNICATION & KEY MESSAGES

- Projects & initiatives
- Weather events and power outages
- Updates in service delivery

## [GOV@NSPOWER.CA](mailto:GOV@NSPOWER.CA) / 902-428-6352

- General inquiries & requests
- Field work updates
- Tree trimming
- Payment arrangements

For general service requests call our Customer Care Centre at 1-800-428-6230 and for 24/7 Outage Emergencies 1-877-428-6004

# SMART METERS: CONTEXT MATTERS

Customers want:

- Stable rates
- Reliability
- Clean energy

*Smart meters are key to achieving these objectives: helping to modernize Nova Scotia's power grid*

# WHAT IS A SMART METER?

- Smart meters incorporate sophisticated technology that communicates electricity usage via a safe, secure connection to Nova Scotia Power
- More than 70% of Canadian homes and businesses already have smart meters

# THE SMART METER NETWORK

Smart meters record your energy usage data.

Your energy usage is sent over a secure wireless network.

You will have access to daily information on your energy usage, helping you make more informed decisions and manage your electricity costs.

Energy usage is used to generate bills.

# BENEFITS: SMART METER TECHNOLOGY

IN 2021, CUSTOMERS WILL BEGIN ENJOYING THE  
FOLLOWING BENEFITS:

## INFORMATION IS POWER

Access to daily information on energy usage and notifications, help you make more informed decisions and manage electricity costs.

## ENHANCED SERVICE

Connecting or disconnecting electricity will be easier and faster with no on-site appointment required.

## QUICKER RESPONSE

Smart meters will notify us when your power goes out, helping us respond more quickly.

# SAFETY FIRST

Nothing is more important than the health and safety of our customers, employees, contractors and the communities in which we operate:

- We suspended smart meter upgrades due to emerging pandemic conditions and restrictions – this pause gave us time to review and refine safety protocols
- Our technicians understand the protocols they must follow to keep themselves, and our customers, safe
- We have the PPE and the training in place to complete the upgrades safely

- More than 124,000 meters safely upgraded (approximately 25%)
- Work in the sector that includes Barrington scheduled to begin today

# THE FACTS

Smart meters are safe, accurate, secure, and highly regulated:

- Health Canada
- Safety Code 6
- Measurement Canada
- Underwriters Laboratories

Smart meters enable faster, more effective service; help keep rates stable

There is no charge

The data is encrypted

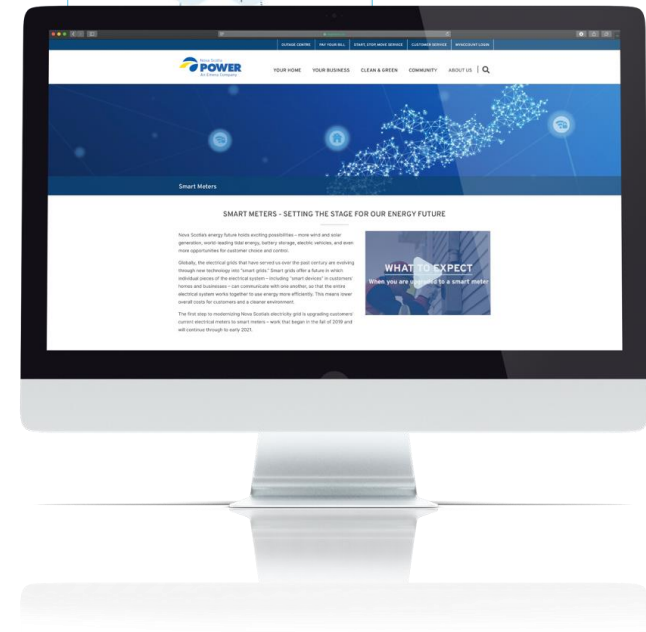

Grid modernization = lower rates & cleaner environment

# COMMUNICATIONS

- Customers notified in advance
  - mail, bill inserts, automated telephone calls, website
  - news releases, community outreach
  - day of the upgrade, technician will explain how the work will be performed
- The upgrade is quick and easy; 15 minutes to complete
- Opt out option is available (1.49% of customers have confirmed choice to retain non-standard service)
  - No benefits
  - Estimated fee, set by UARB, to cover cost of retaining non-standard service

Ensure customers have the information they need to make informed decisions about smart meters and understand the benefits this technology will provide

# HERE TO HELP

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

---

**KEY STRATEGIC AREAS**

**1. Infrastructure Renewal**

*a. New Recreation Centre*

The architects are working on finalizing the design package to present to Council. We expect to receive this package within the next two weeks.

*b. Development of Asset Management Plan*

As noted last month, our funding application to the Municipal Asset Management Program was submitted on June 5<sup>th</sup>. We were notified on July 16<sup>th</sup> that our application to the Program is now being processed and may take up to eight weeks.

*c. Renewal or Expansion of Sewer System*

Nothing new to report at this time.

**2. Economic Growth**

*a. Development of Additional Business/Commercial Property*

Nothing new to report at this time.

*b. Reduction of Commercial Taxation*

Nothing new to report at this time.

*c. Improved Access to Internet*

Nothing new to report at this time.

**3. Promotion and Support of the Tourism Industry**

*a. Amenities at Beaches*

Phase 2 of the Stoney Island Beach Parking Area, which will see the installation of wooden guardrails to resemble the parking area at Sandhills, began on July 14<sup>th</sup>. The beach was very busy this past week which has slowed progress, but work continues on a consistent basis.

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

---

Our survey asking residents and visitors to answer general questions to help guide us moving forward in the development of our beaches closed on July 16<sup>th</sup>. We received a total of 685 responses and are preparing a report that will summarize the results. Once the report is complete, it will be presented to Council and shared publicly.

We have placed the official order for our beach signage with Causeway Computers and continue to work internally on the placement and installation plan with our Property Services Department. We are also waiting for a response to our application to the Beautification and Streetscaping Program.

Finally, I have mentioned on a number of occasions the importance of planning when it comes to future development at our beaches. I am pleased to announce that WSP has been engaged to help us in this planning work. They will prepare preliminary 2D conceptual site plans and 3D visualizations as well as provide landscape and engineering reviews. These plans will help us solicit the approval and collaboration of provincial agencies and other local stakeholders and set a strategy which will guide our ongoing work.

*b. Work to Attract Accommodations*

Nothing new to report at this time.

**4. Provision or Support of Services for Residents of the Municipality**

*a. Continued Work Towards Additional Medical Services (Medical Clinic, Dialysis)*

Nothing new to report at this time.

*b. Develop Water Access Plan (docks, wharves and marinas)*

Nothing new to report at this time.

*c. Improve Active Transportation (sidewalks, trails, boardwalks)*

Nothing new to report at this time.

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

---

**SUMMARY OF ACTIVITIES FROM JUNE 22<sup>ND</sup> TO JULY 26<sup>TH</sup>**

**TOPICS**

**COVID-19**

As of June 1, 2020, the Municipal Administrative Centre and Construction and Demolition Landfill have been open to the public during their regular operating hours. We are following public health protocols to ensure physical distancing, have increased cleaning and have placed other protective measures for staff and visitors such as visual aids and physical barriers.

Although we are open to the public, we are still encouraging residents to limit their visits to essential or urgent needs, to avoid visiting if feeling ill or have traveled recently, to follow the physical distancing visual aids within the buildings and avoid lengthy visits or gathering.

On June 8, the ballfields, the batting cages at the arena and the large hall at the Recreation Centre were reopened for bookings during limited hours.

All other municipal offices and facilities remain closed but as restrictions continue to ease and with the steady decline and consistently low number of known COVID-19 cases in Nova Scotia,, we are making plans to reopen the remainder of our facilities.

As always, up to date information on all municipal closures, service updates and measures can be found at [barringtonmunicipality.com/covid19](http://barringtonmunicipality.com/covid19).

**Drought & Water Shortage**

It seems as though we find ourselves in another dry spell which, as we've unfortunately become all too familiar with, may result in a drought situation and water shortages. This would be the third time in six years that we face this issue and although some tools and resources are now available to help our residents, no major improvements have been made as we have not yet received word from the Province regarding a request for financial assistance we made in January 2019.

At this point, we are primarily in the "Collection of Information" phase. Information and data are key as it will help us determine the most appropriate response and provide us with the necessary background information to influence any Provincial assistance. We have begun to post information through the EMO Facebook page, website, and through other media to ask residents

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

---

to contact the Municipality if they are experiencing low water levels or are dry. So far, we have been contacted by 7 residents.

In terms of assistance, water is now available at the RV dumping station on Sherose Island and the Barrington/Port La Tour Fire Hall has put out a hose for public use as well.

We are preparing for future assistance in the event it is needed. Dwayne has been reaching out to local organizations to determine their level and capacity. We met with the Chiefs and Deputy Chiefs of all three Fire Departments and are working with the Ground Search & Rescue to see what they may be able to do. On July 15<sup>th</sup>, we had an EMO meeting to go over our plan and discuss our response over the next few weeks.

This response could include the provision of drinking water, more water fill up stations and possible delivery once a week by the Fire Departments. As for showers and washing machines, there is some hesitation to open those to the public due to COVID-19. If the need arises, we may be able to open the arena showers under strict cleaning protocols but we will address that in the next few weeks. It should be noted that due to COVID-19, all water supplies will be cleaned and disinfected when possible but we will also be posting “use at your own risk” warnings.

Finally, I would like to remind residents that we have a Water Supply Upgrade Lending Program which provides financing for water supply upgrades to qualifying property owners. More information on the program can be found on our municipal website or by contacting the office directly at 902-637-2015.

### **Tourism Initiatives**

The tourism season looks a lot different this year due to COVID-19. Locally, we continue to promote our area, in partnership with the Municipality of Shelburne, to the Atlantic Provinces through our social media channels and website. We will also be working with a few social media influencers and with South Shore Tourism to help market the area.

We have had David Smith look at fixing the Lobster Sculpture that was in Baccaro, he will be doing the repairs needed and Clifton Sears will repaint it once it’s ready. We will re-install it back at the Lighthouse in Baccaro once everything is completed.

Our lobster chairs have unfortunately seen better days and are in need of replacing. We will be emailing the sponsors to see if they wish to re-sponsor a chair and for those that don’t wish to sponsor a chair again, we will be looking for new sponsors for them.

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

---

### Recreation Programming

Our summer recreation programming is well underway. It looks a little different than usual, but we are providing what we can under the current public health guidelines.

**Hello Fun** has started and is working very well. Each day features in person activity, a swim and online components. We are planning to open up the in-person events to more children who do not necessarily wish to commit for the whole week. We will be moving to half day in-person programming on August 4<sup>th</sup>.

The **Barrington Municipal Pool** opened on July 6<sup>th</sup> and has been busy. Swimming lessons are still very popular, and many sessions are already full. Ella Swim conducted lifeguard and instructor training and our number of certified staff is very good. She will do another in September to ensure we have enough guards locally to serve both the pool and the Nova Scotia Lifeguard Service (NSLS) given the potential to have beach supervision. Safety, and especially more so given the pandemic, is of utmost importance this summer so having a full complement of staff eases that stress.

Preliminary reports from NSLS staff doing the **Beach Lifeguard Assessment** of North East Point and Stoney Island are positive. We received a grant of \$3,300 towards this project from the Province and residents have been very supportive of this work.

Joel will deliver **Kayaking Clinics** on July 27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> at North East Point Beach. The kayaks that Joel will use are shared through the Yarmouth Shelburne Municipal Recreation Admission. 6 total clinics will be offered, divided into three age categories – kids aged 10-13, youth aged 14-18, and adults 19+. The kid's clinics filled up quick so we may need to offer a third clinic. The goal of these clinics is to increase people's knowledge and confidence to kayak in the municipality.

### Building Permits & By-Law Enforcement

From June 14<sup>th</sup> to July 19<sup>th</sup>, 2020, 43 permits were issued with a total dollar value of \$596,100. 89 building inspections were carried out along with 10 fire inspections. We received 2 new subdivisions during this period and 1 subdivision was sent to be registered. Presently we have 3 open subdivisions we are continuing to work on.

We received 4 new by-law complaints which we investigated and presently are working to resolve. These ranged from noise complaints to improper disposal and storage of waste. Several matters from the previous month were resolved and closed.

Chief Administrative Officer Activity Report  
July 27<sup>th</sup>, 2020

During this period, we received no new dangerous and unsightly complaints and have just 1 open file that we continue to work on but should be resolved shortly.

**Fire Services & Emergency Management**

There have been no COVID-19 related staffing issues for the fire departments to date and they continue to monitor the status of their membership and communicate that information to the Fire Services Coordinator. Their functions are beginning to normalize but their facilities remain closed to the public.

Island and Barrington Passage Fire Department Truck #37 has gone to its new home. Automatic aid protocols have been adjusted to reflect there being one less pumper at the department and will be adjusted again once the quint arrives. The quint's arrival has been delayed and now is expected the end of September.

Otherwise, Dwayne continues to monitor COVID-19 updates from the province and EMONS and communicates regularly with EMONS in regard to the Provincial response by participating in all conference calls. He also completed the pump operator course with 11 of 12 students finishing the course and has performed monthly inspections of municipal properties.

This June the Fire Departments responded to 10 calls and they responded to 29 in June 2019. Here is the data for the month of June:

<b>BARRINGTON MUNICIPAL FIRE SERVICE</b>							
<b>EMERGENCY CALLS June 2020</b>							
FIRE DEPARTMENT	Fire	Mut	Auto	MFR	MVC	Other	TOTAL
		Aid	Aid				
Barrington/Port La Tour FD		1			2	1	<b>4</b>
Island Barrington Passage FD	2						<b>2</b>
Woods Harbour/Shag Harbour FD	1			1		2	<b>4</b>
<b>TOTALS</b>	<b>3</b>	<b>1</b>		<b>1</b>	<b>2</b>	<b>3</b>	<b>10</b>
B/PLT -
