Nominee's Volunteering History: please talk with the nominee and ask them for their history on volunteering. Gather as much information as possible, from when they began volunteering to present. Fill out on the back of this sheet or complete in an email.

DEADLINES:

The Town of Clark's Harbour and the Municipality of Barrington are seeking nominations to recognize those people in our area who have contributed to our community over the past year. Please forward nominations **by May 8th** to ensure they will be included in the selection of our municipal representative to a very special provincial recognition event on September 18th in Truro, NS. All nominated volunteers will also be celebrated at a local event in September.

All information is required and the more you can provide, the better. If you would like to also send any letters of support or images please do so to the email address below:
